Photostyler Retail 2.0

http://vetusware.com/download/Photostyler%20Retail%202.0/?id=13458

Aldus PhotoStyler Retail 2.0 - Aldus Corporation November 02, 1993 S/N: 15-0207-201606444
PhotoStyler 2.0 has a revamped UI, is an order of magnitude faster than the 1.0 edition, and the option to open only part of an image. It now includes the Kodak Precision Color Management System for accurate color matching between devices and features CMYK composite editing. Previews of actions show the changes made before committing them to the image.   List price: $795.00 Media: The installation consists of 6 diskettes. Requires: 6Mb RAM, 80 Mb HD space, Windows 3.1 (or Windows 95) Date: Nov 02, 1993   - AppleSeed 2017 -
