Ray Dream Designer v4.1.3
 http://vetusware.com/download/Ray%20Dream%20Designer%20v4.1.3/?id=14748
Ray Dream Studio is the most powerful, easy to use and complete 3D  software available for the desktop for under $500. Whether you're  a graphics professional or budding digital artist, Ray Dream Studio  will let you create  awe-inspiring 3D illustrations, dramatic animations for multimedia, and exciting virtual reality environments  and graphics for the World Wide Web. Designed for the creative individual, Ray Dream Studio opens a whole new world of 3D for  artists who want to expand their capabilities to stay ahead in a  competitive environment.   Ray Dream Studio has everything you need to leap into 3D - Modeling  and Scene Wizards, Dream Models, a

your own shaders, unlimited lights and cameras, and more. Plus a unique inte- grated Perspective window view that allows you to be an artist instead of a CAD engineer! Ray Dream Studio also includes high-end features unheard of on the desktop - Inverse Kinematics, Geometry Buffers,Extensions for added capabilities like Boolean modeling, volumetric lighting and more!
