3D FloorPlan is a 3-dimensional architectural and space planning program for small business
professionals and home users. The user may design a home addition or remodel in 2D and
FloorPlan automatically converts the drawing into 3D. The user can then walk through the 3D
model in real time.

Norton Desktop for DOS 1.x

Norton Desktop is a powerful desktop shell and file manager bundled with many additional tools.
Norton Desktop has got a somewhat Macintosh-like appearance, with drives and program icons
directly on the desktop, and a persistent menu bar. It includes a backup program, document
viewer, icon editor, enhanced calculator, and built in screen savers.
