Microsoft Knowledge Base Archive (200,000+ articles)
https://vetusware.com/download/Microsoft%20Knowledge%20Base%20Archive%20_200_000%2B%20articles_/?id=16609
This is an archive of more than 200,000 Microsoft KB articles from the 1990s. It is not 100% complete, but most of these are no longer available directly from Microsoft.

Omnis Quartz r1.13
https://vetusware.com/download/Omnis%20Quartz%20r1.13/?id=16607
Omnis Quartz is a GUI database product for Windows 1.x. It features a GUI builder for data, forms, and reports.   Omnis "Quartz" is port of Omnis 3 for Macintosh to Microsoft Windows.
