#### Earthworm Jim

<https://vetusware.com/download/Earthworm%20Jim/?id=17819>

Run and gun platform game featuring the protagonist: an earthworm named Jim, who wears a robotic suit and battles the forces of evil. CD image present in the \*.bin/\*.cue format in the downloadable \*.rar file. Tried and tested on a virtual Windows 98se system, running on VMware under a Windows 10 Host. Should probably work on genuine vintage Windows 9x systems. Kindly note: Sfx works but background CD audio does not play. OST tracks included in &quot;Music&quot; folder in \*.wma format (automatic music playback may possibly automatically work on genuine vintage Win98 systems). Also included is fullscreenizer.exe in &quot;fullscreenizer for Earthworm Jim&quot; folder which makes it possible to play the game borderless when in full screen (kindly read the accompanying \*.txt file).

#### MissionForce: CyberStorm

[https://vetusware.com/download/MissionForce\\_%20CyberStorm/?id=17818](https://vetusware.com/download/MissionForce_%20CyberStorm/?id=17818)

Turn-based strategy game developed by Dynamix & published by Sierra On-Line. Player controls bipedal war machines known as HERCs. Tried and tested on a virtual Windows 98SE system, running on VirtualBox under a Windows 10 Host. Should probably work on genuine vintage Windows 98 systems. Not tested on VMware. CD image \*.iso file and pdf Manual found in the downloadable \*.rar file.

#### Neophyte (series)

[https://vetusware.com/download/Neophyte%20\\_series\\_/?id=17820](https://vetusware.com/download/Neophyte%20_series_/?id=17820)

Top-down perspective 2D Role playing, puzzle solving game which includes NPC interaction & fighting enemies using weapons and magic. Tried and tested on a virtual Windows 98SE system running on VirtualBox on a Windows 10 Host system. Should probably work on genuine vintage Windows 98 systems as well. The zip file contains three games/parts: i)The Journey Begins ii) Kopllo's Story & iii)The Spirit Master.

#### Paint Shop Pro v7
